JUNE 7- JULY 30, 2021

June 7-11

Morning 9 a.m.–12 p.m.

Make It 3D (age 6-8)

Create amazing 3D art projects using simple materials, ingenuity, and a lot of creativity. Imagine and create fantastical creatures. Make a bird from papier-mâché, construct a tin foil character study, and more in this fun camp. Course# YTH106.321.01 \$159

All About Color (age 9-11)

Did you know that white and black are not colors? Do you know why artists use complementary colors or monochromatic color schemes? Laura Lynne, known for her brightly colored mixed media art and murals, will teach about color theory basics in this fun class using a variety of art materials and techniques. Course# YTH116.321.01 \$159

Afternoon 1-4 p.m.

Color Theory for Young Artists (age 12-16)

Join artist Laura Lynne on a journey learning about color theory using acrylic paints. Experiment with combinations of colors, learn about value, tone, and composition as it relates to color. Each session will start with a lesson on color, then move on to a short study project. Some drawing experience required. Course# YTH115.321.01 \$159

June 14-18

Morning 9 a.m.–12 p.m.

Fun with Color (age 6-8)

Explore a variety of art materials, such as collage, watercolor painting, and drawing supplies, to learn about color. Artist Laura Lynne will teach about complementary colors, monochromatic colors and more in an easy and fun way to help young artists learn more about combining different colors. Course# YTH117.321.01 \$159

Make It 3D (age 9-11)

Create amazing 3D art projects using simple materials, ingenuity, and a lot of creativity. Imagine and create fantastical creatures. Make a bird from papier-mâché, construct a tin foil character study, and more in this fun, camp. Course# YTH106.321.02 \$159

Afternoon 1-4 p.m.

A Sense of Perspective for Young Artists (age 12-16)

Getting perspective right can be one of the more “intimidating” art skills to master. But it does not have to be. Join Kristin Schimmel on a multi-disciplinary look at perspective. Working on linear and curvilinear perspectives, you will further your artistic skills by experimenting with texture and composition using pencil, ink, and watercolor. Course# YTH118.321.01 \$159

Design Your Very Own Dollhouse (age 6-8)

Design, decorate, and play with a dollhouse created by you! We provide a wooden dollhouse for you to paint according to your imagination. Print your own wallpaper, construct furniture and miniature household items from found materials, and even craft the characters that live inside. Course# YTH123.321.01. \$159

June 21-25

Morning 9 a.m.–12 p.m.

Collage Art (age 6-8)

Create multiple collage projects over this five-day camp and challenge both your “left brain” and your “right brain”! Each day will feature a fun mini-project and some work on a bigger project using paper, paint, ink and pencil, and small three-dimensional items. Course# YTH121.321.01 \$159

Creative Collage (age 9-11)

Train your creative brain! Use paper shapes, found images, natural materials, and other objects to make collages inspired by famous collage and mixed media artists. Mixed media collage artist, Laura Lynne, will lead you through fun projects to spark your creativity. Course# YTH111.321.01 \$159

Afternoon 1-4 p.m.

Creative Collage for Young Artists (age 12-16)

Explore the potential of collage art. Using paper, paint, pencil, pen, and random three-dimensional objects, you’ll work on abstract painting collage, different ways of creating portrait collage, and a large cityscape final project that will broaden your imaginative and conceptual knowledge of this under-appreciated art form. Course# YTH112.321.01. \$159

July 5-9

Morning 9 a.m.–12 p.m.

Amazing Animal Art (age 6-8) Full

Animals are amazing! Depict a variety of animals using different mediums and methods including watercolor, acrylic, markers, and more. You can even paint a picture of your own pet or just your favorite animal. Course# YTH105.321.01 \$159

Manga Drawing (age 9-11) Full

Learn how to draw comics in the Japanese Manga style! During camp, you’ll focus on facial features, as well as anatomy, action poses, and background. Then, complete your piece by placing your character into manga comic panels. Course# YTH110.321.01 \$159

July 12-16

Morning 9 a.m.–12 p.m.

Manga Comic Magic (age 6-8)

Learn how to draw comics in the Japanese Manga style! In this fun camp, try out the tools of a manga artist and learn how to create your own manga comic. During camp, you'll focus on facial features, as well as anatomy, action poses, and background. Then, complete your piece by placing your character into manga comic panels. Course# YTH110.321.02 \$159

Amazing Animal Art (age 9-11)

Animals are amazing! Depict a variety of animals using different mediums and methods including watercolor, acrylic, markers, and more. You can even paint a picture of your own pet or just your favorite animal. Course# YTH105.321.02 \$159

Afternoon 1-4 p.m.

Abstract Painting for Young Artists (age 12-16) Full

Learn about Abstract Expressionist style painting while developing your own self-expression. Projects will mimic Abstract Expressionist artists and focus on your personal vision. Just like the artists of the movement, engage in discussions and brainstorm concepts and projects. Come prepared to share your favorite artist and work of the Abstract Expressionist movement! Course# YTH119.321.01 \$159

Ceramics Art Camp (age 8-11) Full

Our first ever ceramics summer camp is a fantastic opportunity for kids age 9-12 to discover just how much fun making pottery can be! Learn how to throw on the wheel, trim, glaze, and decorate while also creating a few hand-built pieces along the way. End camp with some of your own creations to take home. Course# YTH114.321.01 \$225

Ceramics camp meets Monday, Wednesday, and Friday for two-weeks.

All supplies are provided. Wear clothes that can get dirty!

July 19-23

Morning 9 a.m.–12 p.m.

Paper Art (age 6-8)

Get ready for a fun week of color, texture, pattern, layering, and more. Use painted papers to create beautiful flowers. Tear, cut, glue, and print paper to make a fish print. There are so many unique paper projects in this engaging camp! Course# YTH107.321.01 \$159

Afternoon 1-4 p.m.

Animal & Wildlife Art for Young Artists (age 12-16)

In this camp led by wildlife illustrator Kelley Cappell, you'll explore the art of animals and wildlife. Learn to create realistic images of animals/wildlife using different mediums such as colored pencil and acrylic paint. To exercise your creative muscle, you'll also create your own imaginary animal. By the end of the camp, you'll have completed a drawing and painting to take home. Course# YTH1105.321.01 \$159

Sculptural Art for Young Artists (age 12-16) Full

Work with a variety of mediums- paper, paper mache, electronic parts, and natural and man-made objects, to create reductive and additive sculptural artworks. Each day, conceptualize, plan, and create one small artwork and work on a major project. Some

days will include a short lesson about existing artists and create art inspired by that artist/s. Course# YTH120.321.01 \$159

July 26-30

Morning 9 a.m.–12 p.m.

Mixed Media Art (age 6-8)

Making Shadow boxes of found objects is just the beginning of freeing up your creative mind. Join us for a week of exploring and using your senses in creating one-of-kind art pieces using a variety of different mediums on canvas and other surfaces. Course# YTH113.321.01 \$159

Beetles, Butterflies, and Arachnids Oh My! (age 9-11)

Draw, paint, and sculpt some colorful and fascinating creatures. Each day, you will learn about one of these insects/arachnids and explore different ways of bringing them to life through art. Make at least one major project and collaborate to prove that one large insect may not be as scary as you think! Course# YTH122.321.01 \$159

Ceramics Art Camp (age 8-11)

Our first ever ceramics summer camp is a fantastic opportunity for kids age 8-11 to discover just how much fun making pottery can be! [This special camp meets Monday, Wednesday, and Friday for two weeks.](#) Course# YTH114.321.02 \$225
